Dangerous (LFOMG Remix)

Cascada

Don't know anything about you
So close, just a touch away
Your love hits me like no otherThey say I'm a true believer
I know something's taking over now
I wanna run but I don't know how
You just crossed my border now
Just a kiss awayGive me a break
I'm melting away
You're so dangerous
Or is it too late?
Gotta know what's on your mindI'm out of control
'Cause you want it all
You're so dangerous
My biggest mistake
I'm blinded by your eyesDangerousI'm out of controlDon't you push it to the limit
'Cause you know I'm hungry for your touch
No doubt, I wanna be your loverThey say, just a pretender
I know something's taking over now
I wanna run but I don't know how
You just crossed my border now
Standing face to faceGive me a break
I'm melting away
You're so dangerous
Or is it too late?
Gotta know what's on your mindI'm out of control
'Cause you want it all
You're so dangerous
My biggest mistake
I'm blinded by your eyesDangerousI'm out of control
'Cause you want it all
You're so dangerous
My biggest mistake
I'm blinded by your eyes
