Midnight Sun

Lisa Miskovsky

You said you had a war to loose
You paint the world in black and blue
I dont need to use my gun today
Leave me as youve always doneI saw shadows turn and fade away
Leave me in the midnight sunYou left me in the line of fire
You said that loves the biggest liar
I saw silver in the sky today
Leave me, you still have time to runI saw shadows leaving vapor trails
Leave me in the midnight sunA memory, a wildered rose
My summer dream my winter ghostI saw someone on the ice today
Leave me, winters on the run
Ice break, all of this will melt away
Leave me in the midnight sun
