

# The Sinner And The Saint

## Bewitched

[Music and lyrics by Vargher]I am the one you fear, the shadow in the night

I move without a sound

I am the Reaper, you better grip your soul tight

Your screams send shivers through the groundI am the Fallen, an angel dressed in black

The Tormentor, your death

I am the the Devil's child, I'm ready to attack

Close your eyes and enjoy your last breathThere is no way out

I'm coming for you

There's no escape...

...from your fateI am the Sinner

The Sinner

Reaper of your innocence

I am the Sinner

The SinnerYour soul is bleeding, I've raped you from within

You are doomed to burn in Hell

Mortal man cannot resist the fruits of sin

You are doomed to burn in HellThere is no way out

I'm coming for you

There's no escape...

...from your fateI am the Sinner

The Sinner

Reaper of your innocence

I am the Sinner

The Sinner
