Poison

Prodigy

I got the poison
I got the remedy
I got the pulsating rhythmical remedy
I got the poison
I got the remedy
I got the pulsating rhythmical remedy
I got the poison
I got the remedy
I got the pulsating rhythmical remedy
I got the poison
I got the remedy
I got the poison, I got the poison, I got the poison
Yeah, yeah, yeah
Yeah
(Boom)
Yeah
(Bah)
