

Tear Ya Down

Motörhead

Gonna show you what I'm all about
Gonna make your toenails curl
Gonna show you how to make me smile
Really into long legged girls I was talking to you all night long
Every line was a favorite song
Gonna show you how to make me laugh
I'm gonna tear ya down Gonna show you what I'm all about
I'm gonna shoot ya down tonight
I don't really wanna freak you out
I'm gonna make ya feel alright I was talking to you all night through
And I knew you were rolling me too
Gonna shake you till your lips turn blue
I'm gonna tear ya down Gonna show you how to strut your stuff
I'm gonna make your dreams come true
Gonna show you how to change your luck
I'm really gonna do it to you I was talking to you hours and hours
I promised you hearts and flowers
I'll give you supernatural powers
I'm gonna tear ya down
