

Let It Grow (celebrate The World)

Ester Dean

You don't know me, but my name's Sie,
I'm just the O'Hare, delivery guy.
But it seems like trees might be worth a try,
So I say, let it grow.

My name's Dan; And my name's Rose.
Our son Wesley kinda glows,
And that's not good so we suppose,
We should let it grow.

Let it grow, let it grow,
You can't reap what you don't sew!
Plant the seed inside the earth,
Just one way, to know it's worth.

Celebrate the world's rebirth,
We say let it grow.
My name's Marie,
And I am three!

And I would like to see a tree,
La la la la la lala lee,
I say let it grow.

I'm Grammy Norma -
I'm old and I've got gray hair,
But I remember when trees were everywhere,
And no one had to pay for air!

So I say, let it grow!

Let it grow, let it grow,
Like it did so long ago.
It is just one tiny seed,
But it's all we really need,

Time to change your life with deed,
Time to let it grow.

My name's O'Hare, I'm one of you.
I live here in Thneedville, too.
The things you say just might be true.
It could be time, to start anew.

Maybe change my point of view!
Nah!
I say let it die!
Let it die, let it die,

Let it shrivel up and -
Come on, who's with me?
No body.
You greedy dirtbag!
Let it grow, let it grow,
Let the love inside you show!
Plant the seed inside the earth,
Just one way, to know it's worth!
Celebrate the world's rebirth,
We say let it grow!
