

Devil Man

Blues Pills

Oh, devil man, Oh, devil man
You've got money in your pocket
you've got blackness in your soul
Oh, devil man, Oh, devil man You've got money in your pocket
you've got blackness in your soul
Oh, devil man, Oh, devil man You think you've got the answer
But you would never know
Oh, devil man, Oh, devil man You take diamonds you've been given
And you turn them into coal
Oh, devil man, Oh, devil man You ain't got no reason
and your heart's a dirty hole
Oh devil man, Oh, devil man, Oh, devil man, Oh, devil man,
Your feeble mind is wicked
You're never gonna learn Oh, devil man, Oh, devil man,
To late to be forgiven
You've got what you deserved Oh, devil man, Oh, devil man, There's evil, evil inside of you growing,
Evil, evil inside of you showing,
Evil, evil inside of you glowing
Evil, you're such a devil man Oh, devil man, Oh, devil man,
Your feeble mind is wicked
You're never gonna learn Oh, devil man, Oh, devil man,
To late to be forgiven
Your soul is gonna burn Oh, devil man, Oh, devil man, Oh, devil man,
Oh, devil man,
Oh, devil man,
Oooh, oooh, devil man,
Oooh, devil man,
Oooh, devil man,
Oooh, devil man.
