

You Still Own Me

Emerson Drive

I put a 'For Sale' sign on the front of my truck
Said call anytime 'cause I'm always up
Make an offer
One that I won't refuse I bought a one way ticket on a westbound plane
Four hours later I was wearing shades
In California
Just hanging loose I didn't pack one memory
And even though I'm free I can go where I wanna go
Do what I wanna do
Be who I wanna be
But baby, you still own me Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
But baby, you still own me I was up all night 'cause I couldn't sleep
Instead of staring at the ceiling, I hit the beach
Took a long walk
It didn't help me much I sat down in the sand with a handful of shells
Kicked off my shoes while me myself
And I watched
The sun come up Looking out across the sea
Well, it's finally dawned on me I can go where I wanna go
Do what I wanna do
Be who I wanna be
But baby, you still own me Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
But baby, you still own me Maybe I'm not in your arms
(You own me)
But you still own my heart I can go where I wanna go
Do what I wanna do
Be who I wanna be
But baby, you still own me Say what I wanna say
Hear what I wanna hear
Dream what I wanna dream
But baby, you still own me You still own me, yeah
You still own me
