

# Outnumbering the Day

## Bloodbath

I've had one desire since I was born  
To see my body ripped and torn  
To see my flesh devoured before my eyes  
I'm here for you I volunteer as a human sacrifice[Chorus]  
Carve me up, slice me apart  
Suck my guts, lick my heart  
Chop me up I like to be hurt  
Drink my marrow and blood for dessert  
Eaten, my one desire, my only wish is to be  
Eaten, the longer I live the more I'm dying to feel the pain  
Eaten, I would do anything to be  
Eaten, my one desire, my only wish is to be  
Eaten, I finally found you, my personal slaughter  
As an appetizer, I let you taste my daughter  
Call me sick but this is what I need  
My only purpose here is for you to feed  
Desecrate me  
Tear me limb from limb  
Eviscerate me  
Chew me to death
