Can We Talk (About Us)

Profyle

My girl she just put me out
Fed up for sure that's no doubt
By the way I've been carrying on
Should've know by now, she'd want me gone
Putting up with shit for so damn long
Tired of spending all her nights alone
Cooking, cleaning, looking after me
Now I'm beating the door
Baby listen to me1 - I don't wanna be
Back out in the streets
I want you to be
Right here next to me
Making plans to be
Back with family
Can we talk, baby talk
Baby talk about usRepeat 1Listen
Oh, oh
Can we talk?
Oh, oh
Can we talk?
Oh, oh
Ooh yeahDon't miss your water till the well is dry
Another minute I can't let go byI know you heard me say these words before
Said I'm sorry baby, said forgive me baby
Now you ain't never seen me on one knee
And I don't give a damn who sees
I'll do whatever girl to make it right
Nothing but trouble around the corner
And it's waiting for meRepeat 1 (2x)Let's talk about us
(Me and you)
Let's talk about trust
(Tell the truth)
Let's talk about time
(Spent with you)
Can we talk? Can we talk?
Can we talk?
Let's talk about home
(White picket fence baby)
Let's talk about love

(All day long)
Let's talk about hmm, hmm, hmm
(Hmm, hmm, hmm)Repeat 1 till end
