Angel In The Snow

Joyce Manor

I want to go together
Together like a barking dog with you
Cause I stay home all day
Afraid to live my life
Maybe tomorrow
I'll want to do something else
Cause I'll be feeling better
Much better in a half-lit moon with you
I don't know what to say
To say to save my life
Waiting to follow
I can't control myself
Like old times fading away from me
Angel in the snow
How come nothing amazes me?
I don't know
I bet it's gone forever
Burned up in a fiery ball of glue
That's melted all the way
The world just falls apart
Pain leads to sorrow
And sorrow leads me back to hell
Like old times fading away from me
Angel in the snow
How come nothing amazes me?
I don't know
It must be something out of nothing
Makes you think you're in a nightclub
Paying seven dollars for a plastic cup of vodka
Doesn't make a difference
Doesn't make it wrong or right
You've gotta stay this way forever
Til it makes you want to die
You needed something out of nothing
