Love Life

Neisha Neshae

I was lost now I'm find my way back
I done made mistakes that I wish I could take back
Everybody loves someone they wish they could bring back
Lacin'up my J's runnin'to that money ASAP
I'm just tryna make it to a place where I can love life
Yeah Yeah Yeah Yeah Yeah!
I'm just tryna make it to a place where I can love life
Yeah Yeah Yeah Yeah Yeah!

I was tryna find my way(Yeah)
Lost a few friends along the way(Fate)
Obstacles in my way so,
I knew I would be here one day(Straight)
I'm surrounded by the Great lakes
I had no choice but to be great
Get high till I can not see straight
I look like I won the sweepstakes
When I lost everything close to me,
I thought this was how life was supposed to
be
I remember when they didn't notice me
Now I cut my phone on and they posting me
And I don't know what these niggas want
From me
But I know what my mama want from me
Want me in that big house living comfortably
Yeah, I'ma be in there
Yeah, honestly

Ain't gotta hate on nobody
(Nobody)
Nobody
Who can fuck with me?
(Nobody)
Nobody

I was lost now I'm tryna find my way back
I done made mistakes that I wish I could take
back

Everybody love someone they wish they
could bring back
Lacin'up my J's runnin' to that money ASAP
I'm just tryna make it to a place where I can
love life
Yeah Yeah Yeah Yeah Yeah!
I'm just tryna make it to a place where I can
love life
Yeah Yeah Yeah Yeah Yeah

Bet you thought I wasn't gonna make it(fool)
Now you like how can it be true?
Knew I had talent since Pre-School
Now everybody wanna be cool
Now they all wanna say they helped out
But I had to help myself out
Remember them days I was stressed out
Now look at me, I'm the best out
All along it was right there in front of me
And now I can be what I wanna be
They switched up and they tried to front on me
And now I'm the one that they wanna be
Attitude IDGAF
I'ma need my money ASAP
I'm finally finding my way back
They doubted me,this is my payback

Ain't gotta hate on nobody
(Nobody)
Nobody
Who can fuck with me?
(Nobody)
Nobody

I was lost now I'm tryna find my way back
I done made mistakes that I wish I could take back
Everybody loves someone they wish they
could bring back
Lacin'up my J's runnin'to that money ASAP
I'm just tryna make it to a place where I can love life
Yeah,Yeah,Yeah,Yeah,Yeah
I'm just tryna make it to a place where I can
love life
Yeah Yeah Yeah Yeah Yeah(Yeah)
