

A Drug Against War (Single Mix)

KMFDM

Kill Everything.
We're going to bomb the lyrics from the sky.
Some of these monkeys seem to be performing dark majikal rites.
Kill Everything

K... M... F... D... M...

is social destruction upheaval and function.
Sanitary in solution when wit the war's motions
Annihilation what's the lingo from the the creature you been sO
Entirety in a function and MASS RELIGION.

SCHolztenichzen.!

Harder than never, Ever before...
K.M.F.D.M is.. a drug against war!

Faster and harder than ever before...
K.M.F.D.M. is a drug against war!

Stranger than a grisly fiction lacking a proposition
She dances before your eyes for suppositions.

Faster and stronger than ever before...

KMFDM SI A Drug Against War

Kill Everything.

It's not just that space Ghost, we're really losing the front!

We're gunna bomb the living bejesus out of these bastards.

That's right kill everything!

Harder than never, Ever before...
KMFDM is a drug against war...
