

# Out of My League (2006 Remastered)

## Electronic

I'm always late  
But I caught you in time  
To escape from the scene of the crime  
Louder than cymbals  
All out or rhyme  
I give up 'cos I don't know the time  
I can't decide  
Won't let you rescue my pride  
Tell me the truth  
I have a picture of you  
You have a picture of me  
We could steal away in the night  
Or catch the earliest flight  
We've fallen in  
So let's swim  
You're out of my league  
But I'm depending on you  
You're all that I need  
So why don't you say it's true  
You're out of my league  
Like a picture hung on a wall  
Not a word to speak  
Lost for a cause  
You could give me so many things  
But without your love  
All of it stinks  
My only crime  
Is the state of my mind  
On loan to you  
I've got a picture of you  
You have a picture of me  
We could steal away in the night  
Or catch the very first flight  
We've fallen in  
So let's swim  
You're out of my league  
But I'm depending on you  
You're all that I need  
So why don't you say it's true

You're out of my league
