

Have You Forgotten (Vanilla Sky OST)

Red House Painters

I can't let you be, cause your beauty won't allow me
 Wrapped in white sheets,
 Like an angel from a bedtime story
And shut out what they say, 'Cause your friends are fucked up anyway
 And when they come around,
Somehow they feel up and you feel down. When we were kids, we hated things our parents did
 We listened low to Casey Kasem's radio show
 That's when friends were nice,
To think of them just makes you feel nice The smell of grass in spring
 And October leaves cover everything. [Repeat: x2]
Have you forgotten how to love yourself? I can't believe all the good things that you do for me
 Sat back in a chair like a princess from a faraway place
 Nobody's nice, when you're older your heart turns to ice
 And shut out what they say;
They're too dumb to mean it anyway When we were kids, we hated things our sisters did
 Backyard summer pools and Christmases were beautiful
 And the sentiment of coloured mirrored ornaments
 And the open drapes
Look out on frozen farmhouse landscapes [Repeat: x6]
 Have you forgotten how to love yourself?
