Rainbow In The Dark (live)

Dio

When there's lightning, you know it always brings me down
'Cause it's free and I see that it's me
Who's lost and never found
I cry out for magic, I feel it dancing in the light
But it was cold, I lost my hold
To the shadows of the night

There's no sign of the morning coming
You've been left on your own
Like a rainbow in the dark
A rainbow in the dark

Do your demons, do they ever let you go
When you've tried, do they hide, deep inside
Is it someone that you know
You're just a picture, just an image caught in time
We're a lie, you and I
We're words without a rhyme

There's no sign of the morning coming
You've been left on your own
Like a rainbow in the dark
Just a rainbow in the dark

When I see lightning, you know it always brings me down
'Cause it's free and I see that it's me
Who's lost and never found
Feel the magic, feel it floating in the air
But it's fear, and you'll hear
It calling you beware

There's no sight of the morning coming
There's no sight of the day
You've been left on your own
Like a rainbow
Like a rainbow in the dark
You're a rainbow in the dark
Just a rainbow in the dark
No sign of the morning
You're a rainbow in the dark
