Going Down In Flames

3 Doors Down

Don't tell me what to think
'Cause I don't care this time
Don't tell me what to believe
'Cause you won't be there
To catch me when I fall
But you'll need me when I'm not here at all
Miss me when I'm gone again, yeah
I'm going down in flames
I'm falling into this again, yeah
I'm going down in flames
I'm falling into this again, come grow
Don't tell me how life is
'Cause I don't really want to know
Don't tell me how this game ends
'Cause we'll just see how it goes
Catch me when I fall
Or you'll need me when I'm not here at all
Miss me when I'm gone again, yeah
I'm going down in flames
I'm falling into this again, yeah
I'm going down in flames
I'm falling into this again
Now, all the way down here
I'm falling all the way, all the way down here
I'm falling down again, I'm falling down
I'm falling down, I'm falling down
I'm going down in flames
I'm falling into this again, yeah
I'm going down in flames
I'm falling into this again
Now, all the way down here
I'm falling all the way, all the way down here
I'm falling down again now I'm falling down
