## Jekalyn Carr

What is the world coming to now  
[?] anymore  
It seems they're weak and I see a potential to be  
Everything that statistics says we can't be I refuse to let the world bring me down  
I'll shout it out 'cause I want the world to know I'm gonna  
I'm gonna be great and no one can stop me now  
You've got destiny, I'm on my way, I'm headed for greatness  
I want you to know that it is possible but you [0:45?] do the same  
Join along with me and let the world hear us proclaim! We're gonna be great  
We're gonna be, gonna be, gonna be great  
We're gonna be great  
We're gonna be, gonna be, gonna be great  
Let me remind you of the special person that you are
