

It's Me Bitches

Swizz Beatz

It's me bitches
Come on, come on, come on, shut down Chillin in my beamer, listenin to Ether
Bumpin through your speakers, know I got the heaters
Rockin dont stop, I get the rockin, dont stop
I'm bangin em beats, you know I like that hip hop, stop Freeze, you know who it is, it's me bitches Smoke good,
eat good, drink good, fuck good
Come into the club stuntin like you should
My shit on fire, I dont need no gasolina
Im comin through your block with the Deuce 2-Seater Ring the alarm, man, call me the sand man
When I drop beats Im the 'One Man Band Man'
Cash rules everything around me, cream
Get the money, dollar, dollar bills, ya'll fuck em Freeze, you know who it is, it's me bitches Vida loco, flyin

eat good, drink good, fuck good
Come into the club stuntin like you should
My shit on fire, I dont need no gasolina
Im comin through your block with the Deuce 2-Seater Ring the alarm, man, call me the sand man
When I drop beats Im the 'One Man Band Man'
Cash rules everything around me, cream
Get the money, dollar, dollar bills, ya'll fuck em Freeze, you know who it is, it's me bitches
