

# Two Timin' Woman

[Johnny Cash](#)

I woke up this mornin' in a terrible mood  
Now you talk about a woman treatin' a good man rude  
She had me talkin' to myself gazin' at that mean ol' wall  
She had another daddy waitin' down at the end of the hall  
She changes with the weather like the leaves I recall  
She blossoms in the spring but then she's gone in the fall  
A two timin' woman with a heart of solid stone  
She tells me that she loves me but her heart's a little under grown  
Well, she said she'd never leave me but she  
got the urge to roam  
She drifts around the country like a steamboat on a foam  
She never changes course, she just goes along that same ol' way  
And I hope she keeps a driftin' rolls along back home someday  
Cause if I ever find her, gonna chain her to the  
floor  
And tell her, "Now sit there, woman, you ain't leavin' no more  
I'm gonna tame your mama till you're eatin' from my hand  
It's not that I don't love you, honey, it's just to make you understand"
