

# Accident & Emergency (Rowdy Superstar Remix)

Patrick Wolf

(Emergency!) So come on  
Give me the worst and then again  
I'm feeling braver than I've ever been  
From the skull down to the feet  
All out for blood and sweat and meat  
And for Accident! Emergency!  
To terrorists, catastrophe  
Drop this agony, and misery  
Give me accident and emergency So what happens when you lose everything?  
You just carry on and with a grin  
(Sing!)  
For all that your life has to bring,  
And just get yourself back into the ring  
(Knock it out!) For accident and emergency  
To terrorists, catastrophe  
Drop this agony, and misery  
Hold on for accident and emergency If you never lose  
How you gonna know when you won?  
If it's never dark  
How you gonna know the sun?  
When it shines  
You've got to let it shine Accident. Emergency.  
Accident. Emergency.  
C'mon!  
Accident. Emergency.  
Accident. Emergency.  
C'mon! Accident and emergency  
Bringing out the best in me
