

# Tagalong

## Zach Deputy

Sweetheart understand  
if you take my hand,  
I wont do you no wrongIt would mean everything  
if you just tagged alongYour voice to me  
sounds just as free  
as a mourning birds songIt would mean everything  
if you just tagged alongThis world is zipping by  
like a rushing tide  
I am just a speculative eye  
with no one by my sideForget making plans  
lets start braking plans,  
Cause soon Ill be goneIt would mean everything  
if you just tagged alongSweetheart understand  
if you take my hand,  
I wont do you no wrongIt would mean everything  
if you just tagged along  
It would mean everything  
if you just tagged along
