

# War Is My Shepherd (Live At Wacken 2008)

## Exodus

You put your faith in Christianity  
I put mine in artillery  
My M-16, my lord and savior  
Christ never done me a motherfucking favor[Chorus]  
Pay for all of those in pain  
For those who died in vain  
Scars from battle nevermore  
Still we march off to  
War  
War  
War  
War is my shepherdHate it if we can't comprehend it  
Kill it if we don't understand it  
Pray to god and your fate is sealed  
As you die alone in the killing fields[Chorus]Farwell, Graham and Farahkahn  
They need god, I need napalm  
Praise the lord and pass the ammunition  
My sermon is my demolitionWar  
War is  
War is my  
War is my shepherd
