Black Lipstick

Pluto

I was looking for something
Or maybe someone
Hope a relation
Or revelation
She smelled of temptation
Made me be patient
I have to say hey
I have to see her
She wore black lipstick call her renegade
Leather jacket on
Collar high
Couldn`t see her face
She ice skated on my heart
Couldn't Feel the blade
I think I`m color blind
Cause I`m bleeding black and grey. (I'm bleeding)
Cause I`m bleeding black and grey.(She wore)
My heart is running
Running, running
Away from love when
She called me apart
From a far and the distance

Without saying a word from her lips
She had me intrigued
She wore
She wore black lipstick call her renegade
Leather jacket on
Collar high
Couldn`t see her face
She ice skated on my heart
Couldn't feel the blade
I think I`m color blind
Cause I`m bleeding black and grey.(I'm bleeding)
Cause I`m bleeding black and grey.(She wore)
Oh I'm bleeding I'm bleeding yeah.
She wore black lipstick call her renegade
Leather jacket on
Collar high

Couldn`t see her face
She ice skated on my heart
Couldn't feel the blade
I think I`m color blind
Cause I`m bleeding black and grey.(I'm bleeding)
Cause I`m bleeding black and grey.(She wore)
