

Wild Boys

Duran Duran

Wild boys, wild boys, wild boys

Wild boys

Wild! Boys! The wild boys are calling on their way back from the fire

In August moon's surrender to a dust cloud on the rise

Wild boys fallen far from glory, reckless and so hungered

On the razors edge you trail because there's murder

By the roadside in a sore afraid new world They tried to break us, looks like they'll try again Wild boys never
lose it

Wild boys never chose this way

Wild boys never close your eyes

Wild boys always shine You got sirens for a welcome, there's bloodstain for your pain

And your telephone been ringing while you're dancing in the rain

Wild boys wonder where is glory where is all you angels

Now the figureheads have fell

And lovers war with arrows over secrets they could tell They tried to tame you, looks like they'll try again Wild
boys never lose it

Wild boys never chose this way

Wild boys never close your eyes

Wild boys always shine Wild boys, wild boys, wild boys

Wild boys, wild boys, wild boys Wild boys never lose it

Wild boys never chose this way

Wild boys never close your eyes

Wild boys always Wild boys never lose it

Wild boys never chose this way

Wild boys never close your eyes

Wild boys always Wild boys never lose it

Wild boys never chose this way

Wild boys never close your eyes

Wild boys always, wild boys
