

# Cook It A While

## Fool's Garden

Monday morning stormy weather  
Afternoon it's getting better  
Evening, the sun comes out a while Everything is changing ,baby  
Nothing stays the same and maybe  
You will understand it .Baby, let me tell you something  
I really don't need anything  
The cookie is dry !  
Baby, this is not a secret  
I need another liquid and then I  
Cook it a while.  
Yes I am far away from home  
And though I listen to the Beatles  
I am a rolling stone.  
Yes I am far away from home  
Just let me tell you something  
Before I'm gone.I don't like the fish you're cooking  
I don't like the way you're looking  
Don't you see it makes me nutsBaby, let me tell you something  
I really don't need anything  
The cookie is dry !  
Baby, this is not a secret  
I need another liquid and then I  
Cook it a while.  
Yes I am far away from home  
And though I listen to the Beatles  
I am a rolling stone.  
Yes I am far away from home  
Just let me tell you something  
Before I'm gone.I did not really mean what I said  
I'm an idiot and you know that  
I will always love you please don't go.
