Ten Percenter

Frank Black

Aw, that's niceI'm just another ten percenter
My mind is like an ocean
My mind is like an ocean
I'm hanging in the harborI'm just drifting, letting out the line
I'm letting out the drifting line
I'm trying to be a guy
Who's hailing from Ann ArborMaking jerk
And its good
Getting perk
Yeah, I would
I'm a jerkIf you're getting cotton mouth
You better have some water
Sucking syrup and soda
You're gonna just get hotterBut if you want to wile awhile
But if you want to wile awhile
Oh, suck a syrup and soda
Oh dance, oh sons and daughtersMaking jerk
And its good
Getting perk
Yeah, I wouldMaking jerk
And its good
Getting perk
Yeah, I would
Im a jerkIf you got cotton mouth
My mind is like an ocean
My mind is like an ocean
My mind is like an oceanI'm a jerk
Making jerk
Soda jerk
And it's good
Jerk, jerk, jerk, jerk, jerk[Incomprehensible]
