Translation:
MÃ¤noa wears a lei of rain
Ever so calm in itâ€™s beauty
Beloved one, who dwells in tranquility
Love for you is here
The mist slowly unfurls at MÃ¤noa
Silently creeping through the forest
Beloved one, who dwells in tranquility
Love for you is here
The white misty rain covers MÃ¤noa
Beautifying the woodlands there
Beloved one, who dwells in tranquility
Love for you is here
We two truly joined
The story is told
MÃ¤noa wears a lei of rain
Love for you is here
The story is told

MÃ¤noa is in the mist
Beloved one, who dwells in tranquility
Love for you is here
