## This Frontier Needs Heroes

How do I get this hatred out of my heart?  
How do I get this madness out of my mind?  
In time we will get it done  
In time it'll feel as if we won! How do I get this sadness out of my soul?  
How do I build a friendship out of this hole?  
I know that its getting late  
And I know that everything you said is really great. I can see the firefly tonight  
I'm not going to sit here and tell you that I'm right  
I know only how I feel  
and I know that what I think I think is really real. How do I get this hatred out of my heart?  
How do I get this madness out of my mind?  
In time we will get it done  
In time you know we had just begun.
