

Plasticine (Lounge version)

Placebo

Beauty lies inside the eye of another youthful dream
That doesn't sell it's soul for self-esteem
That's not plasticine Beauty lies inside desire and every wayward heart redeemed
That doesn't sell it's soul for self-esteem
That's not plasticine Don't forget to be the way you are [Repeat: x4] The only thing you can rely on is that you
can't rely on anything
Don't go and sell your soul for self-esteem
Don't be plasticine
