

# Don't Think I'm Not

Kandi

Now, I don't have to question  
Where you were last night  
'Cause I already know what you will say  
I already know you'll lie But I can't be mad at ya  
'Cause there's something that you don't know  
That when you're gone I do my own thing  
And I catch a bone while you're dogging me When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine When I try to get your attention  
You ignore me everytime  
You were so caught up doing your dirt  
That you didn't notice mine Well, I couldn't put up with your scheming  
And I couldn't put up with your lies  
They say two wrongs won't make it right  
But it's suiting me just fine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not, 'cause I'm out getting mine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine Don't be surprised to know that sometimes women play the  
field  
You may not believe it but it's real  
The game is so real, so real, so real  
Oh, don't think we won't do it, when you're out in the club When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not  
When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine When you're out in the club, don't think I'm not  
Even when you're out making love, don't think I'm not

When you're feeling good in somebody's spot, getting hot, don't stop  
Just don't think I'm not 'cause I'm out getting mine
