

For the Stunt

Russ

[Intro]

It took me 10 years to talk like this...[Hook]

Put a billboard in my city

Yea I do it for the stunt

Riding Bentley's in your city

Yea I do it for the stunt

I might fly your girl out with me

Yea I do it for the stunt

I might go and blow like fifty

Yea I do it for the stunt

Yea I do it for the stunt

Yea I do it for the stunt

Yea I do it for the stunt

I just do it for the stunt (x2)[Verse 1]

I was broke a year ago i worked for this

Dropped 11 albums they all flopped but i learned from it

I dont go to church

But still i hope i reach the masses

Even tho what took you years to make

I pay in monthly taxes

They use to say i brag too much

They use to say i sing too much

They use to say i rap too much

Now its 10k just to drink too much

Now i got 10s in a hotel suite

When i show up its the first time we meet

Now the highlight of your week

Is an Instagram video in the club

With a bunch of broke people peep[Hook]

Put a billboard in my city

Yea I do it for the stunt

Riding Bentley's in your city

Yea i do it for the stunt

I might fly your girl out with me

Yea I do it for the stunt

I might go and blow like fiftyYea I do it for the stunt

Yea I do it for the stunt

Yea I do it for the stunt

Yea I do it for the stunt

I just do it for the stunt (x2)[Verse 2]
Too busy eating my own fruit to check if yours is sweeter
Too busy watering my grass to check if yours is greener
I need a celebration
Celebrating hella patience
I was down but now i'm up
I'm celebrating elevation
Up
Ex's hate but i know its love
Everyone late on the train but us
Still in a Nissan
Still with my day ones
Still keep it real as fuck
Plus
I boss up yea its been like that
Went on tour then i went right back
Millionaire new default setting
I keep on betting on me[Hook]
Put a billboard in my city
Yea i do it for the stunt
Riding Bentley's in your city
Yea i do it for the stunt
I might fly your girl out with me
Yea i do it for the stunt
I might go and blow like fifty Yea I do it for the stunt
Yea I do it for the stunt
Yea I do it for the stunt
Yea I do it for the stunt
I just do it for the stunt (x2)
