Brave New World

The Moonrunners

Dying swans, twisted wings, beauty not needed here
Lost my love, lost my life, in this garden of fear
I have seen many things, in a lifetime alone
Mother love is no more, bring this savage back home
Wilderness house of pain, makes no sense of it all
Close this mind dull this brain, Messiah before his fall
What you see is not real, those who know will not tell
All is lost, sold your souls to this brave new world
A brave new world, in a brave new world
A brave new world, in a brave new world
In a brave new world, a brave new world
In a brave new world, a brave new world
Dragon kings, dying queens, [Incomprehensible]

Lost my life, lost my dreams, rip the bones from my flesh
Silent screams laughing here, dying to tell you the truth
You are planned and you are damned in this brave new world
A brave new world, a brave new world
A brave new world, a brave new world
In a brave new world, a brave new world
In a brave new world, a brave new world
A brave new world, a brave new world
A brave new world, a brave new world
In a brave new world, a brave new world
In a brave new world, a brave new world
Dying swans, twisted wings, bring this savage back home
