

Killer

Kiss

Her love is a gun, her love is a blade, she's a killer
Bitch is insane, she deals in pain, she's a killer
Ooh, she'll cut you clean
Then she'll watch you bleed
So obscene, she's what I need
She loves to hear me scream, yeah Black lace, stiletto heels, she's a killer
Crack the whip, submission trip, she's a killer Ooh, cat in heat, mistress of deceit
Nerves of steel, her next meal
She's searching for the meat She's a killer, stone cold killer
Killer, stone cold killer Watch out for your jugular vein, she's a killer
Animal with a twisted brain, she's a killer Ooh, she guarantees, you'll suffer with desire
Wicked queen, night machine
She'll make you walk through fire Killer, run for your life, killer, will she bite
Killer, run for your life, killer, will she bite
Suck your blood tonight Killer, stone cold killer
She's a killer, stone cold killer
Killer, stone cold killer
She's a killer, stone cold killer She's a killer, she's a killer, stone cold killer
She's a killer, stone cold killer, she's a killer
