

That Sweater

Scott Helman

Here we go, oh God I know, the words just flow
Because I'm getting low, lower than you see me get before
And please don't ignore me
Like I'm something you forgot at the corner store
Take a look at my book, I got a whole world to explore
I won't be a bore
Love's infectious
It's a battle for sure
Can't you see me coming back for war? And don't slap me across the face, we in disgrace
Now you can't relate to my everyday life
I was doing it right till you came along and broke my stride[Chorus]
Volume high enough to drown it out
Too in love and on my homie's couch
Jesus, why you gotta be so loud?
Let me be the one to make you shout
Oh, oh oh, I-I love it when you wear that sweater
Oh, oh oh, oh I-I love it when you wear that sweaterYou see it's all about the mood and not about the show
We saw the cool kids sitting in the corner like they're hiding away
From the way they used to fall in love with someone new every Saturday
I want you bad like they say in every clichÃ© song about teenage love
Just a few cruel, jumbled up years
And it feels like they come and go
And then you won't be here[Chorus]
Volume high enough to drown it out
Too in love and on my homie's couch
Jesus, why you gotta be so loud?
Let me be the one to make you shout
Oh, oh oh, I-I love it when you wear that sweater
Oh, oh oh, oh I-I love it when you wear that sweaterOh why you gotta stick around
Looking better than the night before?
Baby, why you gotta make me so unstable?
The first time I saw you, that's what you wore
That sweater, that sweater
I hear the bell ring, the sun shine
Crawling over the set of swings
And I saw you in the sunlight[Chorus]
Volume high enough to drown it out
Too in love and on my homie's couch
Jesus, why you gotta be so loud?

Let me be the one to make you shout
Oh, oh oh Volume high enough to drown it out
Too in love and on my homie's couch
Jesus, why you gotta be so loud?
Let me be the one to make you shout
Oh, oh oh, I-I love it when you wear that sweater
Oh, oh oh, oh I-I love it when you wear that sweater
(Oh I love it when you wear that sweater)
I-I love it when you wear that sweater
(So why you gotta stick around)
I-I love it when you wear that sweater
