Nita

Young Marble Giants

It's nice to hear you're
Having a good time
But it still hurts "cause you used to be mine
This doesn't mean that I possessed you
You're haunting me because I let you
Shape up your body "Let's be a tree"
Visual dynamics for you to see
Nature intended the abstract

For you and me
No rain outside but tears in my eyes
Out on the rooftop for a surprise
Call you at teatime
In off the street
Sit down at table, Mummy is neat
