## Young Marble Giants

It's nice to hear you're  
Having a good time  
But it still hurts 'cause you used to be mine  
This doesn't mean that I possessed you  
You're haunting me because I let you  
Shape up your body "Let's be a tree"  
Visual dynamics for you to see  
Nature intended the abstract

For you and me  
No rain outside but tears in my eyes  
Out on the rooftop for a surprise  
Call you at teatime  
In off the street  
Sit down at table, Mummy is neat
