Landslide

Taylor Brashears

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
Till the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?
Oh no

So you take my love and you take it down
And if you climbed a mountain and you turned around
And if you see my reflection in the snow-covered hills
Well, maybe the landslide will bring you down
The landslide's going to bring you down
