

# Way With Words

## The Breaktone

There seems to be no difference  
Between present tense and the pretense  
Cause it's all a part of what you've been trying to say  
Well you've got all the right reasons  
To write red hot rants for the weekend  
But they're not a part of what you've been trying to say

They say you lost your way  
(You're way with words)  
The right way to go

[Chorus]

You've lost your way with words or at least that's what I heard  
You've lost your way with words and to me what could be worse?  
What could be worse?

When your father passed down his wisdom  
Sometimes I think he must've spilled some  
Cause you lost the sight of what you've been trying to say  
And I know that nobody's perfect  
Well no one would want to sound desperate  
Unless that's a part of what you've been trying to say

[Chorus]

Oh, you could dance around  
Dance around with nothing to say

You've lost your way with words at least that's what I heard  
You've lost your way with words

[Chorus]
