

# More Than That

## Backstreet Boys

I can see that you've been crying  
You can't hide it with a lie  
What's the use in you denying  
That what you have is wrong  
I heard him promise you forever  
But forever's come and gone  
Baby, he would say whatever  
It takes to keep you blind  
To the truth between the lines, oh[Chorus]  
I will love you more than that  
I won't say the words  
Then take them back  
Don't give loneliness a chance  
Baby listen to me when I sayI will love you more than thatBaby, you deserve much better  
What's the use in holding on  
Don't you see it's now or never  
'Cause I just can't be friends  
Baby knowing in the end, that[Chorus]There's not a day that passes by  
I don't wonder why we haven't tried  
It's not too late to change your mind  
So take my hand, don't say goodbyeI will love you more than that  
I won't say the words  
Then take them back[Chorus]I will love you more than that[Chorus]I will love you more than that
