Necessary Evil (feat. Jonathan Davis)

Motionless In White

Strip off the weight of morality
and check it at the door
I'll show you the worst in me
...what I've becomeBlow out the candles I need not a wish
For I am everything
Now crawl to my boots and lick
Kneel before meImma have my cake and fucking eat you too.It's my party and I'll die when I want to,
die when I want to,
die when I want to
The monster you've made is wearing the crown
I'll be the king and you be clown
I'll take the blame (and) parade it around.
You've made me the villain you can't live without.
Reciting violence like poetry
No you can't sit with us
Too fashionably plain
Now say my name
Forget everything you think you knew of who I used to be
I look much better as...
as the enemyImma have my fucking cake and eat yours too.It's my party and I'll die when I want to,
die when I want to,
die when I want to
The monster you've made is wearing the crown
I'll be the king and you be clown
I'll take the blame (and) parade it around.
You've made me the villain you can't live without.
I want you low
I won't let you die
(I'll) keep you alive
Just to remind you of what you are notIt's my party and I'll die when I want to
You wanna see me fail, but I won't die for youIt's my party and I'll die when I want to,
die when I want to,
die when I want to
The monster you've made is wearing the crown
I'll be the king and you be clown
It's my party and I'll die when I want to,
die when I want to,
die when I want toI want you low
Imma have my cake and fucking eat you too.
