

I wanna get back with you

Tori Amos

I was a fool to say the things I said
I just lost my head
Made you cry, made you go
I didn't mean to be so cold
I had no right mistreating you that way
And oh, how could I know the price I'd pay
Sorry I ever caused you pain
Sorry I, sorry I said those hurtful things
But baby, all that really matters now is
I wanna get back with you
(Just give me one more try)
I wanna get back with you
(Just stop this hurt inside)
I gotta get back with you
I been walking down these cold and lonely streets
I been losing sleep
Had to prove I was strong
But every night, every night just proved me wrong
Had to think I had heaven right here in my hand
And oh, just let it slip away like sand
Oh, gimme one chance to make it right
One more chance, one more chance back in your light
'Cause baby, all that really matters now is
I wanna get back with you
(Hold me just like before)
I wanna get back with you
(Taking me somewhere warm)
I gotta get back with you
Baby, I'd give my soul
Just to hold one more time
Just to look in your eyes
'Cause right now I'm half alive
No matter what I do
There's no living without you
Can't you see, baby
I wanna get back with you
(Just give me one more try)
I wanna get back with you
(Just stop this hurt inside)
I gotta get back with you
(Hold me just like before)
(Taking me somewhere warm)
I wanna get back with you, babe
I wanna get back with you, baby

I wanna get back!
I gotta get back with you!
Oh, take me back!
