

Secret

MIYAVI

Unzip it girl
Drop it down
Get on the sheets
Let's play it loud, some musicOnce the beat hits
I'll take you to XRhythm of breath(Down) on your knees
 Eat my heat
 C'mon, set me freeDon't let the beat stop
 Between the sheets yeahI know you like this, oh
 Tell me your secret
 I'm going in and out
 The sin repeats yeah
 Your body's screaming, oh
 Tell me your secretWe've got the touch
 Of dirty dirty sweat
 This is the time to screamIn and out
 In and out
Just feel the beastThe secret leaks(Down) on your knees
 Eat my heat
 C'mon, set me freeDon't let the beat stop
 Between the sheets yeahI know you like this, oh
 Tell me your secret
 I'm going in and out
 The sin repeats yeah
 Your body's screaming, oh
 Tell me your secretTell me your secret
 Tell me your secret
 Secret
 SecretDon't let the beat stop
 Between the sheets yeahI know you like this, oh
 Tell me your secret
 I'm going in and out
 The sin repeats yeah
 Your body's screaming, oh
 Tell me your secretDon't let the beat stop
 Between the sheets yeahI know you like this, oh
 Tell me your secret
 I'm going in and out
 The sin repeats yeah
 Your body's screaming, oh

Tell me your secret
