

# I Love You More Than You'll Ever Know

## Blood, Sweat & Tears

If I ever leave you  
You can say I told you so  
And if I ever hurt you babe  
You know I hurt myself as well

Is that any way for a man to carry on  
d'you think he wants his little loved one gone?  
I love you Baby, more than you'll ever know  
More than you'll ever know

When I wasn't makin' too much money  
you know where my paycheck went  
you know I brought it home to baby  
and I never spent one red cent

Is that any way for a man to carry on  
d'you think he wants his little loved one gone?  
I love you Baby, more than you'll ever know  
More than you'll ever know

I'm not tryin' to be  
any kind of man  
I'm tryin' to be somebody  
you can love, trust, and understand  
I know that I can be, yeah yeah  
a part of you that no one else could see  
I just gotta hear, tohear you say  
It's all right  
yeah, yeah, yeah!

I'm only flesh and blood  
But I can be anything that you demand  
I could be president of General Motors baby, heh  
or just a tiny little grain of sand

Is that any way for a man to carry on  
d'you think he wants his little loved one gone?  
I love you Baby, more than you'll ever know  
More than you'll ever know

If I ever leave you  
You can say I told you so  
And if I ever hurt you baby  
You know I hurt myself as well

Is that any way for a man to carry on  
d'you think he wants his little loved one gone?  
I love you Baby, more than you'll ever know  
More than you'll ever know

I love you, I love you, I love you baby!  
Well all right!  
I told ya, so many times before  
I love you  
I love you!  
If you don't know, then I'll tell ya one more time  
I love you!  
I love you!
