

Bump

Usher

[Intro: Lil Jon]

At-at, what? At-at-at, what?

At-at-at, what? At, don't stop, don't stop

At-at, what? At-at-at, what?

At-at-at, what? At, don't stop, don't stop [Chorus: Usher]

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to go

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to

[Bridge: Usher]

Bump, bump, bump, bump, bump, bump

(At-at what?)

Bump, bump, bump, bump, bump, bump

(At-at-at, what?)

Bump, bump, bump, bump, bump, bump

(At, don't stop, don't stop)

As we bump, bump, bump, bump, bump [Verse 1: Usher]

She hit me with that killer

She make me sling the skrilla

Body tight for the summer

Get it, get (?) for the winter

Real player makers

Need something to (?)

Now she on my mind

I need something to spend my day on

And I love her like my niggas, my niggas, my niggas

She ain't bout my feelin's, my feelin's, my feelin's

And (?) bout these hoes

Cause she the one I chose

Got the keys to the Benz

I don't even drive my shit no more [Bridge: Usher]

Bump, bump, bump, bump, bump, bump

(At-at what?)

Bump, bump, bump, bump, bump, bump

(At-at-at, what?)

Bump, bump, bump, bump, bump, bump

(At, don't stop, don't stop)

As we bump, bump, bump, bump, bump[Chorus: Usher]

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to go

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to[Bridge: Usher]

Bump, bump, bump, bump, bump, bump

(At-at what?)

Bump, bump, bump, bump, bump, bump

(At-at-at, what?)

Bump, bump, bump, bump, bump, bump

(At, don't stop, don't stop)

As we bump, bump, bump, bump, bump[Verse 2: Usher]

I know you feel me gettin' better

Cause you all that's on my mind

Tonight's champagne and confetti

If you want, I stand in line

For a little loving

For a little bumping

How could you hear what I'm sayin'?

I'm hopin' and prayin', I'll say it again[Chorus: Usher]

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to go

I don't know where we go, I don't know where we go

And I don't know what to call us

And I don't know what to call us

And I don't know how it starts and I don't know how

But I'm ready to go, I'm ready to[Outro]

As we bump, don't stop

(At-at what?)

As we bump, don't stop

(At-at-at, what?)

(At-at, what? At-at-at, what?)

(At-at-at, what? At, don't stop, don't stop)
