

# How Do You Like Me Now

[Toby Keith](#)

I was always the crazy one, I broke into the stadium  
And I wrote your number on the 50 yard line  
You were always the perfect one and the valedictorian so  
Under your number I wrote 'Call for a good time' I only wanted to get your attention  
But you overlooked me somehow  
Besides you had too many boyfriends to mention  
And I played my guitar too loud How do you like me now?  
How do you like me now?  
Now that I'm on my way  
Do you still think I'm crazy  
Standin' here today?  
I couldn't make you love me  
But I always dreamed about living in your radio  
How do you like me now? When I took off to Tennessee, I heard that you made fun of me  
Never imagined I'd make it this far  
Then you married into money, girl ain't it a cruel and funny world?  
He took your dreams and he tore them apart He never comes home and you're always alone  
And your kids hear you cryin' down the hall  
Alarm clock starts ringin' who could that be singin'  
It's me baby, with your wake up call How do you like me now?  
How do you like me now?  
Now that I'm on my way  
Do you still think I'm crazy  
Standin' here today?  
I couldn't make you love me  
But I always dreamed about living in your radio  
How do you like me now? How do you like me now?  
Now that I'm on my way  
Do you still think I'm crazy  
Standin' here today?  
I couldn't make you love me  
But I always dreamed about living in your radio  
How do you like me now? Tell me baby  
I will preach on
