

Letting the Cables Sleep (N.O.W. mix)

Bush

You in the dark
You in the pain
You on the run
Living a hellLiving your ghost
Living your end
Never seem to get in the place that I belong
Don't want to lose the time
Lose the time to comeWhatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright
Silence is not the way
We need to talk about it
If heaven is on the way
If heaven is on the wayYou in the sea
On a decline
Breaking the waves
Watching the lights go down
Letting the cables sleepWhatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright
Silence is not the way
We need to talk about itIf heaven is on the way
We'll wrap the world around it
If heaven is on the way
If heaven is on the wayI'm a stranger in this town
I'm a stranger in this townI'm a stranger in this townIf heaven is on the way
If heaven is on the way
I'm a stranger in this town
I'm a stranger in this town
