

# They Told Me About You

## Jandek

They told me about you [2x]  
Sneaking up on me  
I'm crazy about you [2x]  
Forever to time (?)  
Forever do mine  
Take it up and lock it  
Arrange a new day  
Placate a new way  
Gangrene in two legs  
Drunken I'm up on pegs  
Leaning, a month or so  
Wrestle with a wandering  
See the lights up in the sky  
Vagrant in your cripple eye  
Wandering's been creeping by
