Kauna Allah

Jeremiah Gyang

I still remember days when I was lost and hopeless
Was hanging out alone with no one I was helpless
I didn't care about it so much
All I had with me was a dream
And it was so beautiful
Now I realize
You were standing there
Even when I thought that no one was around, now I understand you came as a dream, this dream has made my life so beautiful
Shine ya ba ni sabon rai

Kauna Allah
Shine ya ba ni sabon rai
Shine ya ba ni salama
Shine ya wakezi yata
Kauna,
Kauna Allah
Shine ya ba ni sabon rai
Shine ya ba ni salama
Shine ya wakezi yata
Kauna, kauna Allah
I believe, I believe in you
And in everything you do
Your the air I breath you the light I see take me to a place were my eyes will see the beauty of your love were that it is, let me hold your hand and say I love... You.
Even though I fail some times i love... You
Kauna Allah
Shine ya ba ni sabon rai
Shine ya ba ni salama
Shine ya wakezi yata
Kauna,
Kauna Allah
Shine ya ba ni sabon rai
Shine ya ba ni salama
Shine ya wakezi yata
Kauna, kauna Allah:
I got a couple of things, i gotta get off my chest
Listen...

You made me a hand, when i broke your rules

We still make friends, though i hung with fools

I've searched and i've never found a love like yours

Cause what you do is what nobody does

Can't deny that you are always there to grease me

Life is hard but through your eyes its easy

You all that i need

The air that i breath

The joy for my grieve

The reason i live

The peace for my war

The friend to the Poor

Right now, i'm only the Twist,
I've gotta ask more

You're the true definition of Love is Kind

I Thought you'll leave me but you choose to stand

The thoughts of you are always on rewind on my mind

You love ain't hard to find

You're awesome you did a good to my bad

And ...

Kauna Allah
Shine ya ba ni sabon rai
Shine ya ba ni salama
Shine ya wakezi yata
Kauna

Kauna Allah
Shine ya ba ni sabon rai

Shine ya ba ni salama
Shine ya wakezi yata
Kauna, kauna Allah
