

I Love Her (Demo Version)

Blur

Verse 1:I look at her
Just to see
Is there anything in there
For me
If you look at her
Do you see
Is there anything in there
For meChorus:I love her
I love love her
She don't care if I live or die
That is why
I love herVerse 2:So don't talk to me
Don't talk to me
There's so little I can say when i
Feel this way
So don't talk to me
Don't talk to me
There's very little I can sey when i
Feel this wayChorus:I love her
I love love her
She don't care if I live or die
That is why
I love her
I love love her
She don't care if I live or die
That is why
I love her(x2)
I love love her
She don't care if I live or die
That is why
I love her
I love love her
She don't care if I live or die
That is why
I love her(x4)
